

IAMI

INDIAN ACCUTOUCH MEDICAL INSTITUTE

We wish to introduce ourselves as a charitable medical trust registered under TN society act with a sole motto of propagating the "**DRUGLESS THERAPY**" by means of **ACUPUNCTURE** Life Science.

We started this mission as early as in the year 2000 and we have been striving hard to achieve our goal to create a drugless & disease free healthy society under the banner of INDIAN ACCUTOUCH MEDICAL INSTITUTE.

Our Institute which was established in the year 2001 with the sole intention of reaching out the common man widely has been offering the courses on Acupuncture life science -the Self Healthcare Science approved by Bharathiar University and the main objectives of our Institute are enumerated below:-

- To educate the society to lead and live a healthy life without fear about diseases and drugs.
- To live with the nature's tune by following a simple and normal life style based on the time proven principles of Acupuncture Life Science.
- To communicate the various merits of this therapy to the society in a systematic manner.
- To inculcate an appropriate perception and insight into various aspects of **Acupuncture life Science, an ethnic system of natural cure to the learners.**
- To impart thorough knowledge about basic human anatomy, physiology and medicinal systems in practice.
- To give complete knowledge about Acupuncture life Science, fundamental theories on which it has been derived.
- To give adequate knowledge about acupuncture channels, points and their locations, relationship with internal organs.
- To give a practical knowledge and training on diagnosis methods to conclude the deficiency and to select an appropriate acupuncture point for stimulation.

IAMI

INDIAN ACCUTOUCH MEDICAL INSTITUTE

In a span of just 15 years, the IAMI has extended its services to the mankind all over South India, major cities like Chennai, Bangalore, Hyderabad and Kerala and also planning to spread its roots to other parts of the country in order to apprise the people of this ethnic science of self-health care system.

Further to elevate the awareness and to educate the upcoming younger generations, we have joined our hands with "**BHARATHIAR UNIVERSITY**" Coimbatore to offer Acupuncture Life Science courses.

Hundreds of students join our institute every year and come out with the Certificates qualifying themselves as Acupuncturists with adequate knowledge on healthy living based on Acupuncture Life Science, begin to serve the society by this Drugless health care System, irrespective of social, economic, gender and age factors.

So far, around 1200 students of our institute have completed the course and most of them are serving the society in various parts of the country by providing health care awareness among the public through the Acupuncture- life Science which has been accepted widely as a need of the hour solution for all their healthcare needs.

Further to add more value to this educational activities Bharathiar University CCCC Coimbatore has approved IAMI Community College to impart acupuncture life Science Courses in order to support and create drugless disease free Healthy society.

To regulate and monitor the awarded and trained participants of the acupuncture life Science Courses "**Traditional Acupuncturist Organisation**" (TAO) has been formed in the year 2013 in Tamilnadu and subsequently in Karnataka, Kerala, Andhra Pradesh and Telangana with a sole motto of creating drugless disease free HEALTHY society works under a common logo of **ACUPUNCTURE WELLNESS CENTER**

Apart from the educational activities we extend our services to lacks of needy people directly all over Tamilnadu, in cities like Coimbatore, Mettupalayam, Karur, Salem, Hosur, Permbalur, Udayarpalayam, Neyveli, Nellikuppam, Villupuram, Thirukovilur, Katpadi, Chennai, etc., where we not only support the beneficiaries but also educate them not to became sick forever through our healthy living awareness programs.

IAMI

INDIAN ACCUTOUCH MEDICAL INSTITUTE

We are gathering and maintaining all our beneficiaries' clinical data relevant to their discomforts in order to analyze and improve our services even better. (Digital format nearly 1 lac & Manual about 3 lacs as on date)

In other South Indian states like Karnataka, Kerala, Andhra Pradesh and Telengana, well trained and qualified likeminded members of "Traditional Acupuncturist Organisation" (TAO) work together to create drugless disease free healthy society soulfully.

Our institute and TAO is being administered by a team of well qualified and well trained faculty members with a noble cause under the able guidance of Mr. Magi Ramalingam, founder - Director of IAMI, who is in this field for more than 30 years.

In conclusion, we would like to reiterate that our prime motto is to serve the mankind by creating a drugless **DISEASE FREE HEALTHY SOCIETY** with the help of Acupuncture Life Science.
